

The mission of The Wellness Community is to help people affected by cancer enhance health and well-being through a professional program of emotional support, education, and hope. All programs and services are provided free of charge.

“NEW DISCOVERIES IN CANCER TREATMENT AND SYMPTOM MANAGEMENT”

Thursday, June 17 – 6:00 – 8:00 PM

This workshop for people affected by cancer will focus on new therapies, research advances, and the future of personalized medicine. **It will be held at the Loews Philadelphia Hotel - 1200 Market Street**, in conjunction with the Radiation Therapy Oncology Group’s (RTOG) annual meeting.

Dr Yaacov Richard Lawrence, Assistant Professor, Department of Radiation Oncology Thomas Jefferson University, Bodine Cancer Center, will be the speaker.

Based in Philadelphia, RTOG is a key clinical research component of the American College of Radiology (ACR) and serves as a multi-institutional, international clinical cooperative group funded primarily by the National Cancer Institute. A light supper will be served. **Please RSVP by June 14.**
